MEMORANDUM FOR THE RECORD

SUBJECT: State/AID Draft Foreign Aid Bill - Conveying Agency Views to OMB

1. On March 25, 1986, I spoke with Sue Thau, Legislative Analyst, Office of Management and Budget (OMB), concerning the "International Security Development and Cooperation Act of 1986". This is the draft fiscal year 1987 "foreign aid" authorization bill as prepared by the Department of State and the Agency for International Development (AID) prior to its submission to the Congress. OMB had sent the bill to this Office for Agency comment.

2. I informed her that the Agency had no objection to the draft bill.

3. We discussed the fact that last year's foreign aid authorization bill was for two years, fiscal year 1986 and 1987. Therefore, as this bill was not needed for another year, it was unlikely to see serious action this session. This would be a pleasant development as last year's bill, the first to pass in the last four years, had contained a number of provisions which caused the Agency concern and required much work to remedy.
